## Hayes School - PE & Sports Grant Expenditure

### Physical Education Grant

#### Rationale

Physical Education contributes to pupil's physical, academic and social well-being and thus is an important part of the education programme. As well as promoting physical development, it provides opportunities for pupils to be creative, competitive and to face up to challenges as individuals and as part of a team. Hayes School is committed to providing a progressive and comprehensive physical education programme that embraces the National Curriculum, caters for individual needs and fosters positive attitudes towards active and healthy lifestyles.

#### Teaching of high quality PE sessions

Curriculum sessions are taught weekly to Key Stage Two classes by subject specialists from Paignton Community and Sports Academy (PCSA). Teachers from Hayes work alongside the PCSA teachers to provide CPD and to support with the motivation and physical development of the children.

In addition, extra sports sessions are taught weekly to all year groups by Simon Walker of sportfitness4u, a service bought in using Sport Premium money and tailored on a term by term basis to suit the needs of the school and individual year groups/classes. These sessions are extra to the curriculum PE and Games taught in school by Hayes teaching staff.

#### Increased Participation and Enjoyment (both competitive and non-competitive)

The number of children attending clubs has continued to increase by providing children with a wider range of opportunities in different sports during the school day and out-of-hours.

These have included:

- ✓ Hayes School football team
- ✓ Y5/6 football club
- ✓ KS 1 football club
- ✓ Dodgeball club
- ✓ Various sporting opportunities are offered by outside agencies throughout the year and we always try hard to give the children opportunities to take part in these
- ✓ Play leaders initiating games/activities with the children at lunchtimes
- ✓ Sportfitness4u sessions run at lunchtimes as well as the provision detailed above
- ✓ PCSA link sessions weekly
- ✓ PCSA festivals taking place at least 3 times per half term, covering all of KS1 and KS2
- ✓ Attendance at the yearly PCSA Primary Cluster Sports Day each July
- ✓ Play Leaders actively engaging with the children at lunchtimes to encourage physical activity

---

During the 2015-16 academic year, all KS1 and KS2 children have attended at least one sports festival provided by PCSA through our cluster group membership - Hayes were one of a handful of schools across Torbay who achieved 100% attendance at these festivals.

Sportfitness4u have provided after school sporting opportunities for the children at Hayes, as well as the provision timetabled during three afternoons per week.

The Hayes School Football Team is up and running again and is entered into the Torbay league for the 2016-17 season, after a four year absence.

It is hoped that sportfitness4u will be working in school every afternoon during the 2016-17 academic year.

#### Maintain strong links with local clubs and communities

South Devon College, Torquay United Football Club and Plymouth Argyle Football Club are all local links which will be explored further during the 2016-17 academic year.

## Hayes School

Sportfitness4u is a company with whom we have recently developed links and these will be further developed throughout the coming year.

### Swimming

Swimming provision was altered for the 2015-16 academic year, in an attempt to progress further towards the National Curriculum requirement of each child being able to swim competently for 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations. One year 5 class attended a five week block of lessons during each of the Autumn 2 and Spring 1 half terms, one year 3 class during each of the Spring 2 and Summer 1 half terms and a group of year 6 non-swimming children attended a top-up programme during the Summer 2 half term. During this time the children were formally assessed with the intention to meet the National Curriculum standards.

This provision is to be reviewed at the end of the Summer term and adjusted as necessary in order to achieve the best outcomes for the children.

### PE Resources

High quality PE resources have been bought to aid delivery of teaching, including resources bought with Sainsbury's vouchers. Our Sainsbury's order has already begun to arrive in readiness for the 2016-17 academic year.

### Future aims and intentions

- ✓ To look into possible sponsorship opportunities involving local businesses
- ✓ To increase the regularity of children taking part in physical activity, particularly in KS1
- ✓ To increase the regularity of children taking part in competitive sports, particularly in KS1
- ✓ Continue to adapt the dance curriculum to fit in with our new 'themed' approach to learning so that it becomes more enjoyable for children and easier for staff to deliver effectively
- ✓ Look into opportunities to provide the children with high quality provision in the area of gymnastics
- ✓ To have children trained as Play Leaders to support our lunchtime Play Leaders in providing quality physical activity opportunities at lunchtimes  
- John Julyan, PCSA, Autumn term

### How we spend the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that schools should use the premium to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years

At Hayes, we constantly strive to improve our provision in PE and sport and, since the introduction of the PE and sport premium, we have provided many opportunities for our children which have improved the quality of sports teaching available.

Our current provision provided by the money allocated through the PE and sport premium is as follows:

- providing qualified sports coaches (Simon Walker - sportfitness4u) to work with staff in the delivery of high quality PE and Games, ensuring CPD for teachers is available as part of the package
- providing existing staff with training, resources and continued professional development to help them teach PE and sport more effectively
- introducing new sports or activities and encouraging more pupils to take up sport, through attending festivals provided by PCSA
- supporting and involving the least active children by ensuring all children receive sports sessions taught by PE specialists
- ensuring all children take part in sports festivals through our links with PCSA

### Current Expenditure - 2015-16

<u>Expenditure</u>	<u>Autumn term</u>	<u>Spring term</u>	<u>Summer term</u>
<u>Sports partnership</u> <u>(PCSA)</u>	<u>£0.00</u>	<u>£3233.00</u>	<u>£0.00</u>
<u>Sportfitness4u</u> <u>(Simon Walker)</u>	<u>£2220.00</u>	<u>£2040.00</u>	<u>£2560.00</u>
<u>Other</u> <u>(TADPSFA affiliation)</u>	<u>£50.00</u>		
<u>Termly total</u>	<u>£2270</u>	<u>£5273</u>	<u>£2560</u>
Sport premium grant:			<b>£9700</b>
From Hayes budget:			<b>£373</b>
Yearly total:			<b>£10,073</b>

### Planned expenditure 2016-17

The PE Sports Funding Grant will be spent in the same way during the next academic year, with Hayes providing more money (approx £4500) from the school budget to cover using sportfitness4u for five afternoons each week, as opposed to the current three afternoons. This is subject to availability of sportfitness4u, approval by the Head Teacher and budget constraints.
