Latest News

Dear Parent/Carers,

It has been a great start to the new school year with lots of exciting things already happening at Hayes. The children have all settled in really well in their new classes and I know the teachers have been working really hard creating inspiring lesson sequences and learning environments in order to improve outcomes. The themes your children have been learning about so far have ranged from Roald Dahl to Recycling. I know that you have already been informed of many things going on in your child's class through Class Dojo & Tapestry. If you have not yet signed up for this please do, as it is a fantastic way of keeping track of everything going on with your child and their learning. Please see your class teacher about how to sign up.

Warmest Regards,

Mark Hanbury (Headteacher)

New Staff

Mrs Bamber, our new Deputy Headteacher, has been hard at work since joining us in September. She has been teaching in year six and will be leading Assessment and Data management across the school. She will also be working with school council in order to make Hayes School even better.

We welcome Mrs Tremlett and Miss Garnish, who have both settled in well teaching in year three. We also welcome Miss Colledge in year four and Miss Radcliffe in year five (who is also our new Maths lead). Thanks to all of the children and parents for making their transition into our school a smooth one.

We also welcome Reece Cowell as our new Kitchen Manager and look forward to working with him to provide the best possible catering service we can for our children.

Catering Service

We have remodelled our catering service this year and our Kitchen Staff have been working hard to develop healthier menu choices and ensuring meals are well balanced and meet national food standards.

We will be arranging some tasting sessions with the new school council members during the Autumn term, to enable their views to be considered when deciding on future menus. We will then arrange some parent tasting sessions, so parents can be involved in final menu choices. We will let you know as soon as these dates have been arranged.

To find the lunch menu and to see the results from our last catering consultation, please visit the School Lunches webpage at: <http://www.hayes.torbay.sch.uk/page/?title=School+Lunches&pid=224>.

If you would like to be involved in the food tasting sessions, please register your interest with our Reception.

School Association

Please see below dates for the School Association events this year. To find out how more about the Association and how you can be involved, please come along to the Annual General Meeting on 1st November. Alternatively come in to the main reception if you would like to find out more.

Improvement Priorities 2018-19

Leadership and Management

Develop a clarity of vision that ensures that our curriculum is finely tailored to best meet the needs of our children.

Develop Middle Leadership through involvement in whole school and cross school initiatives.

Further strengthen the governors monitoring and evaluation of the school's work, including:

- Progress & VA from KS 1-2;
- Pupil Premium ;
- SEND.

Teaching, Learning and Assessment

Improve the progress and attainment in Reading through a rigorous review of systems and processes.

Raise expectations through the level of challenge and independence within lessons for all children, by ensuring all lessons are expertly differentiated.

Ensure teaching enables more pupils to achieve greater depth .

Establish a whole-school culture where pace and rigour is central to learning.

Personal Development, Behaviour and Welfare

Improve attendance for all children by further strengthening rates of attendance for persistent absentees.

Develop pupils' eagerness to engage in learning in order that it has strong positive impact on progress.

Ensure that all children, regardless of context, are proud of their achievements and of Hayes School.

Outcomes for Pupils

Improve outcomes in attainment and progress for all children in Key Stages 1 and 2.

Improve year on year outcomes for all pupils in Reading.

Increase children achieving greater depth across the school with a specific focus on refining learning systems for Mathematics at Key Stage 2.

Early Years Provision

Further strengthen the quality of the environment to promote writing opportunities in Reception, focusing on inspiring boys and raising the number of exceeding writers.

Develop reading behaviours within Reception, so they are fully prepared for Year 1.

Ensure that the provision for all children is bespoke to specific need, in order to accelerate progress in Speech and Language.
