3. Barriers to future attainment (for pupils eligible for PP, including high attaining)

In school barriers	
A	Behaviour issues for a small group of L KS2 pupils (mostly eligible for PP) are having a detrimental effect on their academic progress and that of their peers.
B	Social and emotional issues (particularly making relationships and managing feelings and behaviours) for a number of children in Early Years impact their own and other's access to the wider curriculum
C	Children who do not leave KS1 being able to read fluently struggle to access the KS2 curriculum.
D	A group of children in upper key stage 2 do not demonstrate the resilience and aspiration to progress in writing
E	Many children within our school have a lack of aspiration resulting in lack of independence from too many children. Too few children have not been active, diligent & responsible learners
External barriers	
F	Attendance rates for FSM children 16/17 was 93.9% 17/18 was 94.4% (compared to our 97% target). This reduces the number of hours spent in school learning.

4 Desired Outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success Criteria</i>
A	100% of children to pass the phonics screening by end of KS1 regardless of entry point	Phonics teaching is of a high standard and focuses on reading in order to support the greatest number of year 1 pupils to be fluent with their decoding skills (82% passing year 1 screening). Target of 82% of Pupil Premium children passing Year 1 phonics screen. Intervention and support is designed and evaluated to ensure those in year have developed their decoding skills to improve. This is being supported by our involvement with Phonics for Fluency last year and this year's collaboration with another school to improve outcomes in reading.
B	Higher rates of progress for PP children in English over the next two academic years	Build on the previous year's Reading and writing successes for Pupil Premium progress in Years 5 & 6 to improve outcomes in Years 3 & 4. Reading and Writing outcomes for end of key stage children increased from 52% last year to 80% in 2018/19 for reading. In writing, the children will achieve 80% (improving on last year's 65%) and closing the gap to 80% in GPS (improving on last year's 56%). Year 3 & 4 to narrow the gap in Reading and Writing, by significantly improving children's attitudes to Reading and Writing. See Pre and Post surveys linked to Writing samples and Reading ages and Reading summary.

C	Increased attendance rates for pupils eligible for PP	Reduce the number of persistent absence among pupils eligible for PP to 4% or below. Overall PP attendance improves from 93.9% 16/17- 94.4% in 17/18 to 97% in line with our aspirational school target.
D	Behaviour is improved amongst all children across the early years Foundation Stage (EYFS) and Key Stage 1 to ensure they are ready to learn and make expected academic process.	Our behaviour intervention and support programmes are streamlined; directed at highest area of need and the impact evaluated systemically in order for children to be given the help they need.
E	Meta cognition & Self Regulation- (Building on the successes of Growth Mindset Work) All children from Years 2 to 6 will be responsible for managing their learning autonomously. Reception and Year 1 will be able to articulate how they can improve and what they need to do next to improve.	The children will be able to identify the key steps for keeping their own learning on track in order to access the curriculum at their ARE or above- resulting in a rise in attainment in Maths & English (70 % in KS1 and 70% R, W & M in KS2) narrowing the gap towards non-disadvantaged children.

Please note: This document should be read in conjunction with our SIP's and other linked action plans

<p>be responsible for managing their learning autonomously. R & Y1 will be able to articulate how they can improve and what they need to do next to improve.</p>			<p><i>Reducing class size appears to result in around 3 months' additional progress for pupils, on average. Intuitively, it seems obvious that reducing the number of pupils in a class will improve the quality of teaching and learning, for example by increasing the amount of high quality feedback or one to one attention learners receive.</i></p>		<p>term exclusion over 2019.</p>
<p>A: 100% of children to pass the phonics screening by end of KS1 regardless of entry point</p> <p>B: Higher rates of progress for PP children in English over the next two academic years</p> <p>E: Meta cognition & Self Regulation- (Building on the successes of Growth Mindset Work) All children from Y2-6 will be responsible for managing their learning autonomously. R & Y1 will be able to articulate how they can improve and what they need to do next to improve.</p>	<p>KS1- KS2 (4 Senior Teachers) Approx £5000</p>	<p>Funding release time for senior leaders (or specialist teachers) to support other teachers.</p> <p>Phase leads, and Outstanding teachers to model outstanding teaching & support phase with planning sequences, behaviour management and assessment.</p>	<p>Evidence shows improvements in teacher pedagogy can come from lesson Study approach.</p> <p>The approach intervenes with teachers during planning by making suggestions or asking challenging questions to ensure outcomes have carefully been considered; modelling aspects of lessons to expose teachers to a new approach; working with specific groups of pupils to narrow the gap or extend and challenge; evaluate lesson – considering what needs to come next in the sequence; and support with effective marking and feedback.</p>	<p>To increase pupil engagement in learning and increase number to 100% lessons monitored achieving good or better.</p> <p>Monitored by SLT, SIP and reported to governors</p>	<p>Pupil Premium children in Year one outperformed non pupil premium children in 2019 with 78% passing the year one screen. A gap still remains with the Year two phonics screen with 75% passing the rescreen.</p> <p>6/8 PP children who took the phonics screen did not pass. PP funding in 2019/20 will account for additional catch up provision for these children entering Year 3 in order that they pass the screen in Year 3.</p>
<p>E: Meta cognition & Self Regulation- (Building on the successes of Growth Mindset Work).</p> <p>All children from Year 2 to Year 6 will be responsible</p>	<p>0.4 £19,752</p>	<p>Employment of music specialist teacher to ensure pupils have high quality music and drama teaching from someone who is passionate and well skilled.</p>	<p>High quality arts education, as part of weekly music lessons and blocked drama teaching in specific year groups, will be used to promote enjoyment in school and build self-esteem. Having a year group or class orchestra means pupils feel part of a community; they</p>	<p>Pupil questionnaires to understand the impact of music and drama teaching towards their attitudes to school and how they value themselves as learners.</p>	<p>Children overwhelmingly value the Music in the school and this raises confidence as the children perform as an ensemble on a weekly basis. Ofsted recognise the value of this</p>

<p>for managing their learning autonomously. R & Y1 will be able to articulate how they can improve and what they need to do next to improve.</p>			<p>can make a positive contribution irrespective of maths, reading or language attainment and have a clear responsibility as part of an ensemble. Arts participation: EEF +2</p> <p><i>Overall, the impact of arts participation on academic learning appears to be positive but low. Improved outcomes have been identified in English, mathematics and science learning. On average greater effects have been identified for younger learners.</i></p> <p><i>In some cases, specific arts activities have been linked with benefits on particular outcomes. For example, there is some evidence of a positive link between music and spatial awareness. Wider benefits on attitudes to learning and well-being have also consistently been reported.</i></p>		<p>as a “significant strength of the school.” 2017 The children have also achieved the Sing Up Gold Award which continues to remain high profile in the school. All children at Hayes School (regardless of background) have an entitlement to play a musical instrument.</p>
<p>A: 100% of children to pass the phonics screening by end of KS1 regardless of entry point</p>	<p>DHT £1, 000</p>	<p>Releasing the phonics specialist and Y1 team to observe the quality of phonics provision working in partnership with another local school. KS1; to train teachers and TAs in the use of effective phonics teaching and to support in planning so all pupils make their optimum progress.</p>	<p>This approach is supported by our involvement in the phonics for fluency programme. By having a teacher cover the class at these times, high quality teaching is not being missed and groups can carry on as usual so to enable minimal disruption to learning. Phonics: EEF +4</p> <p><i>Phonics approaches have been consistently found to be effective in supporting younger readers to master the basics of reading, with an average impact of an additional four months’ progress. Research suggests that phonics is particularly beneficial for younger learners (4-7 year olds) as they begin to read. Teaching phonics is more effective on average than other approaches to early reading (such as whole language or alphabetic approaches), though it should be emphasised that effective phonics techniques are usually embedded in a rich literacy environment for early readers and are only one part of a successful literacy strategy.</i></p>	<p>Monitoring and data collection is built into the Year one action plan. Regular screening of pupils decoding skills will be used to track progress of key groups throughout the academic year. Phase one lead to oversee.</p>	<p>Phonics screen has improved outcomes for Pupil Premium children (noted above). A more robust approach to reading this year has ensured specific streaming has increased rates of progress, with groups becoming more fluid, with children changing groups as required on a half termly basis. Additionally, the school has purchased a range of Read Write Inc Phonics Books in order to closely meet the needs of every child - See 2019/20 Early Reading SIP.</p>

ii : Targeted Support																	
Desired Outcome		Pupil premium used for: Year 2018/19	What is the evidence and rationale for the approach / action?	How will this activity be monitored, when and by whom? How will success be evidenced?	Actual impact: Review date What did the action or activity actually achieve?												
<p>A: 100% of children to pass the phonics screening by end of KS1 regardless of entry point</p> <p>B: Higher rates of progress for PP children in English over the next two academic years</p>	£1000	<p>High quality and accredited intervention programme training will be 'topped up' in order for intervention programmes to have maximum effect.</p> <p>TAs will be sent on subject knowledge specific training to develop their areas of expertise.</p> <p>The HLTA will monitor the intervention trackers for English.</p>	<p>The children will close the gap on peers in those particular subject areas.</p> <p>Small Group Tuition EEF: +4</p> <p><i>Small group tuition is defined as one teacher or professional educator working with two, three, four, or five pupils. This arrangement enables the teacher to focus exclusively on a small number of learners, usually on their own in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.</i></p>	<p>Leaders will select intervention programme and staff suitable for training. Children's progress will be monitored half termly by teachers' pupil progress meetings and through pupil progress meetings.</p>	<p>Reading Intervention using Reading Champion daily in EYFS and Y2 making accelerated progress- See Intervention Trackers SENDCO and TA cover reading interventions in Y1. Pupil Progress Meetings will identify those children needing to make accelerated progress. HT & DHT to signpost teachers to Maths champion when support is needed. Pupil questionnaires to be used to monitor their attitudes to maths and how</p>	<p>The Maths Champion's work has been instrumental in the school improvement with Hayes PP children outperforming national all with 79% Hayes children achieving ARE V 76% at national average in KS 2 2019. PP NB: Maths Champion no longer at the school due to a significant promotion (from Dec 18).</p>

			<i>four, or five pupils. This arrangement enables the teacher to focus exclusively on a small number of learners, usually on their own in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or teach challenging topics or skills.</i>	they view themselves as mathematicians before and after interventions.	
A: 100% of children to pass the phonics screening by end of KS1 regardless of entry point	LM £15,071	Mrs Moore employed to deliver and train other staff to deliver effective speech and language intervention Children identified as low in below in communication and language (EYFSP) or below ARE through teacher judgements receive regular speech and language intervention either through a specific programme designed by external SLT or other interventions that are accredited for impact. <i>Throughout the year</i>	To develop speech and language as an early intervention and ready children for the rigours of a KS 1 English curriculum. There are a number of children's whose difficulty in forming relationships and managing their feelings in EYFS has a negative impact on their learning behaviours and academic progress in class. There is a positive correlation between this outcome and those with Sp & L and communication problems. Oral language interventions: EEF +5 <i>Overall, studies of oral language interventions consistently show positive benefits on learning, including oral language skills and reading comprehension. On average, pupils who participate in oral language interventions make approximately five months' additional progress over the course of a year.</i>	Teachers will make assessments on pupils for evaluation by the SENDCo/ phase leader who will recommend the type of intervention or request external agency involvement. LM reports back to CT what they have been practicing in order to build on this in class. Impact monitored by SENDCO	Speech and language interventions demonstrate accelerated progress for our PP children through our Speech and Language Champion. PP children outperformed non-PP children in the Y1 phonics screen. The work of our S&L Champion has been commended by the local Speech Therapist and head of S&L at the John Parkes unit.
D: Behaviour is improved amongst all children across EYFS and KS1 to ensure they are ready to learn and make expected academic process	JP £14,181 SW £6,396 DB- £6,988	Pastoral support- releasing Mrs Palfrey, Ms Walker, Mrs Booth, in afternoons to deliver Thrive, SEAL and Baby SEAL. Children identified through thrive assessment will be	Will help the children move through the stages of development allowing them to learn more effectively ensuring their emotional needs are met and they are ready to learn. Social and Emotional Learning EEF +4	Mrs Palfrey up-to-date with Thrive training and recommendations. Thrive is an accredited intervention for supporting behaviour. Repeating of thrive assessments to monitor	Children managed within the EYFS and KS1 setting through 1:1 nurture provision. Staff manage children's day through alternative provision during Learning and breaktimes.

		offered sessions in small groups or a 1:1 basis depending on need.	<i>On average, SEL interventions have an identifiable and significant impact on attitudes to learning, social relationships in school, and attainment itself (four months' additional progress on average).</i>	progress. Through tracking their academic progress using SPTO. SEAL training is also kept up to date and supported by the SENDCo. Monitored by SENDCo/ Mrs Palfrey.	This has enabled progress not to be hindered in EYFS and Y1, with progress seen in data, through PIRA, PUMA and in books.												
iii : Other approaches																	
Desired Outcome		Pupil premium used for: Year 2018/19 Summary of intervention / action including details of year groups involved and timescale	What is the evidence and rationale for the approach / action?	How will this activity be monitored, when and by whom? How will success be evidenced?	Actual impact: Review date What did the action or activity actually achieve?												
B: Higher rates of progress for PP children in English over the next two academic years	Approx £3000	Subsidising trips, enrichment activities and educational visitors for all year groups where there is a direct and specific learning focus/ outcome.	To build self esteem, resilience and knowledge. To provide children with a shared experience and ensure they feel part of the school community and have a sense of belonging. Real life experiences provide enrichment for writing opportunities and motivation to write.	Phase leader will ensure visits and visitors have a direct impact on learning and the theme taught. They will look for evidence of progression of those children both socially & academically. PPM will provide opportunity to share successes.	Themes with trips or visitors attached have really enthused children within writing activities. These are evident in books and through parental feedback (where outcomes have showcased learning). Subsidised residential have developed confidence in many of our more vulnerable disadvantaged pupils.												
A: 100% of children to pass phonics screening by end of KS1 regardless of entry point B: Higher rates of progress for PP children in English over next 2 academic years	DT 0.1 £5,720	SENCO to focus on PP children with SEND and working with LM (S&L) in providing specific 1:1 & small group interventions SENCo to work with teachers, subject leads and Ed Psych in order to track	Previously the SENDCo was released but staffing issues resulted in capacity being limited. Identify gaps and provide support for intervention or resources for teachers and TAs in order to close gap and increase number of PP children making expected or higher than expected progress.	Monitored by SLT, Assessment Lead and reported to governors through SEN report, case study and SENCO report on PP provision for SEN children at EYFS, KS 1 & KS 2	Quantitative Measures The progress gap for SEND children for year 6 2019 is: <u>SEND KS 1 -2 Progress Gap</u> <table border="1"> <tr> <td></td> <td>2019</td> <td>2018</td> </tr> <tr> <td>Reading</td> <td>1.22</td> <td>V 1.7</td> </tr> <tr> <td>Writing</td> <td>6.72</td> <td>V 2.7</td> </tr> <tr> <td>Maths</td> <td>0.85</td> <td>V 1.7</td> </tr> </table>		2019	2018	Reading	1.22	V 1.7	Writing	6.72	V 2.7	Maths	0.85	V 1.7
	2019	2018															
Reading	1.22	V 1.7

Maths	0.85	V 1.7															

<p>E: Meta cognition & Self Regulation- (Building on the successes of Growth Mindset Work) All children from Y2-6 responsible for managing their learning autonomously. R & Y1 will be able to articulate how they can improve and what they need to do next to improve.</p>		<p>pupil premium + SEND children across the school identifying barriers and supporting the implementation of intervention/involvement of external agencies.</p>	<p>Ensure suitable staff have had the correct training for the intervention and support they're given.</p>		<p>In-house PP data across the school demonstrates following progress in each year group. The accuracy of these judgements are substantiated by PIRA and AR reading age scores for reading and through EGG's and moderation in writing:</p>
<p>C: Increased attendance rates for pupils eligible for PP</p>	<p>CF 0.1 £3,249</p> <p>DT 0.05 £2,860</p> <p>Attendance Admin EW 0.25</p> <p>£6,456</p>	<p>Work of family support worker. The role will include: schools attendance officer working with admin staff member responsible for attendance at 0.25</p> <p>Support vulnerable PP families during periods of holiday</p> <p>Providing support for families and children and signpost and liaise with external agencies.</p>	<p>Mrs Farmer to work with families to support them overcoming their barriers for their children attending school regularly and on time. If children are in school, they will be engaged in lessons & make progress. Parental involvement EEF: +3</p> <p><i>Although parental involvement is consistently associated with pupils' success at school, the evidence about how to increase involvement to improve attainment is mixed and much less conclusive. This is particularly the case for disadvantaged families. There is some evidence that supporting parents with their first child will have benefits for siblings. However, there are also examples where combining parental engagement strategies with other interventions, such as extended early years provision, has not been associated with any additional educational benefit. This suggests that developing effective parental involvement to improve their children's attainment is challenging and will need careful monitoring and evaluation.</i></p>	<p>Track attendance figures.</p> <p>Monitor the impact on academic and social progress for those pupils catered for by funded breakfast club.</p> <p>Provide case study evidence of how improvements of pupil behaviour and parental communication.</p>	<p>Attendance figures have improved over the last two year as of PP children</p> <p>Overall Attendance: 16/17 = 93.6% 17/18= 94.6% 18/19= 94.5% (July)</p> <p>Additional work to improve attendance is outlined in the SEF</p> <p>Work of CF and DSL can be seen by Weekly Safeguarding minutes evidencing work to support vulnerable families.</p> <p>Free breakfast introduced for all children at Hayes in 2019 has ensured every child at Hayes has a nutritious breakfast regardless of background. Cooked by kitchen and delivered to classes.</p>

iv : Additional actions with no cost					
Desired Outcome		Pupil premium used for: Year 2017/18 Summary of intervention / action including details of year groups involved and timescale	What is the evidence and rationale for the approach / action?	How will this activity be monitored, when and by whom? How will success be evidenced?	Actual impact: Review date What did the action or activity actually achieve?
All Outcomes		Assign a governor to monitor impact of PP strategy and provide challenge and feedback to SLT	Previously no one governor had an in-depth understanding of the PP provision and costings. This allocates a specific person to represent the governing body to be challenging and support with evaluation. This more rigorous system holds the HT & SLT to account for PP funding.	Governing body and any external agencies that are requested to evaluate our impact.	PP case studies analysed by governors and triangulated through Front Facing Governors Day, where chn were conferenced with and governors evidencing additional provision- See Gov Visit notes and PP case studies for each year group. AH (Vice Chair met with MCH to discuss provision for disadvantaged pupils).
B: Higher rates of progress for PP children in English over the next two academic years		Reallocation of role of class based TA's in Year six in order to support key groups (in class) and to provide cover for class teacher to run interventions in the afternoon.	Mastery learning approach through 'keep up intervention' enables children to understand and address misconceptions from their learning allowing them to narrow the gap with their peers and keep up with class learning. EEF: +5 <i>There are a number of meta-analyses which indicate that, on average, mastery learning approaches are effective, leading to an additional five months' progress over the course of a school year compared to traditional approaches.</i>	Class teachers using EGGs (writing) to assess individual and group progress. Over seen & scrutinised by SLT during Pupil progress meetings. Monitored by English lead.	Significant progress made by children in year six and visible in books for PP children at ARE or above, and reflected in progress data.
