

## Sports Premium Action Plan 2017-18

### Rationale

Physical Education contributes to pupil's physical, academic and social well-being and thus is an important part of the education programme. As well as promoting physical development, it provides opportunities for pupils to be creative, competitive and to face up to challenges as individuals and as part of a team. Hayes School is committed to providing a progressive and comprehensive physical education programme that embraces the National Curriculum, caters for individual needs and fosters positive attitudes towards active and healthy lifestyles.

In line with the increased Sports Premium funding available for the 2017-18 academic year, this document will outline the planned expenditure of the funding. The impact of this will be evidenced and reviewed at the end of the academic year.

### Planned expenditure for 2017-18 - Total Premium Received = £19,480

## Sports Premium Action Plan 2017-18

**Increased confidence, knowledge and skills of all staff in teaching PE and sport**

- Improved quality of PE in Key Stage One to ensure children are confident and competent

- The PE co-ordinator is undertaking a Level 5 Primary PE Course. This will develop his knowledge and confidence, which will then be shared with the staff at Hayes School.
- As part of the PCSA Cluster Group, the teachers at Hayes School have the opportunity to observe high-quality PE lessons taught by specialists at PCSA. This will be used as Professional Development for our staff in order to increase staff competence.

- As part of the course, a new curriculum map was designed for the whole school, paying particular focus on gymnastics and swimming. This will be run across the school in year 2018-19.
- Following the subject leader's evaluation, PE is now provided by Kinetic Sports and children are being assessed regularly, which is shared with the PE lead. Children are consistently challenged in PE and developing and building on skills.
- Positive teacher feedback from CPD opportunities.
- Through PCSA, Adam Smith worked with the school, supporting staff and modelling high quality PE lessons. Twilight sessions have been held for staff to have practical training sessions run by specialists, to provide ideas and support to teachers. Sessions included handball, athletics, multi-skills, tag rugby, tennis, football and dance.

**£275 Level 5 PE Course**

## Sports Premium Action Plan 2017-18

**Broader experience of a range of sports and activities offered to all pupils**

	<ul style="list-style-type: none"> <li>• Increase the number of sports and activities offered to all pupils.</li> <li>• Audit resources to ensure that children are using the best possible equipment available to them</li> </ul>	<ul style="list-style-type: none"> <li>• As part of the PCSA Cluster Group, all children attend a minimum of two festivals, organised and delivered by PCSA, which gives all pupils the opportunity to experience different sports. Additionally, the Primary Link teacher will deliver sequences of lessons in a wider range of sports, making use of specialist equipment.</li> <li>• Premier sports will deliver a wide range of sports at Breakfast Club (such as archery. Fencing and tri-golf).</li> <li>• Staff to offer a variety of clubs at lunchtime and after school. Simon Walker of sportsfitness4u also offers after-school clubs: benchball, multi-sports, football,</li> <li>• PE subject leader to undertake an audit of all resources and replenish equipment where necessary. This will include a new football kit for the Y5&amp;6 boys' team.</li> </ul>	<ul style="list-style-type: none"> <li>• See impact report on website, provided by PCSA Cluster Group.</li> <li>• <b>PCSA Cluster Group report:</b> This year, Adam Smith worked with the school, supporting staff and modelling high quality PE lessons. The lessons have been active and engaging, underpinning the importance of regular physical activity. The children have responded well to the specialist input and have fully engaged in all of the lessons. Adam has reported that the children he has worked with have all made good progress this year. The children are therefore better prepared to be able to take part in regular physical activity. The children have enjoyed the lessons and are motivated to be more active outside of lessons as well.</li> <li>• See previous Premier Sports report for information about Breakfast Club.</li> <li>• After-school clubs provided by sportsfitness4u continued to have up to 30 children across the school for each club.</li> </ul>	<p><b>£2,112 Kinetic and After School Clubs</b></p>

			<ul style="list-style-type: none"> <li>• Kinetic Sports introduced different clubs (hover-boarding, American Sports, Body Zorbing) - taster clubs had enormous interest and 43% of places were taken by Pupil Premium children.</li> <li>• A sponsorship for the Y5/6 football kit was gained via the School Association. <a href="#">Pictures available here.</a></li> </ul>	
<p><b>Increased participation in competitive sport</b></p>	<ul style="list-style-type: none"> <li>• Increase the percentage of children taking part in competitive sport.</li> <li>• Develop skills required to succeed in competitive sport (i.e. teamwork, resilience)</li> </ul>	<ul style="list-style-type: none"> <li>• This academic year, the school will be entering teams into the TADSFA Y3/4 and Y5/6 league. This is an increase on last year and means that more children are taking part in competitive sport.</li> <li>• As part of the Cluster Group, all children will take part in competitive festivals at PCSA- which will develop their skills of teamwork, determination and resilience.</li> </ul>	<ul style="list-style-type: none"> <li>• Y3/4 fulfilled 75% of their fixtures due to staff illness. Unfortunately, the TADSFA has folded for 2018/19.</li> <li>• Y5/6 finished 3<sup>rd</sup> in their league.</li> <li>• An additional football kit was acquired via Premier League Stars scheme, with a view to using it for a future girls' team.</li> <li>• See PCSA report (link above) for the impact of festivals attended.</li> <li>• All children across KS1 and KS2 took part in a competitive sports day at Hayes School.</li> </ul>	<p><b>£60 TADSFA</b></p> <p><b>£200 equipment</b></p>

## Sports Premium Action Plan 2017-18

### Swimming

The National Curriculum states that - at the end of Key Stage 2 - each child should be able to swim competently for 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations. In order to support children to work towards these targets, one Year 5 class attended a five week block of lessons during each of the Autumn half terms.

During each of the Spring half terms, one Year 3 class attended a five week block. In the Summer term, Year 6 children attended. These lessons took place at Torbay Leisure Centre and were delivered by qualified swimming instructors. During this time, the children were formally assessed with the intention to meet the National Curriculum standards. Of 60 pupils in Year 6:

- 50 can swim competently, confidently and proficiently over a distance of at least 25 metres.
- 50 can use a range of strokes effectively
- 50 perform safe self-rescue in different water-based situation

### Next steps:

- The Sports Premium money was effectively managed and spent throughout the academic year 2017/18.
- Kinetic Sports will now provide Hayes School with high-quality PE provision, ensuring that all children (including SEND) are physically active and engaged. Children's progress will also be monitored. There will be a focus on gymnastics and swimming.
- Swimming data will be provided by AquaZone at Torbay Leisure Centre.
- An exploration into the use of after-school clubs. Some clubs will be linked to after school tuition.
- Hayes School will take a break from being a part of the PCSA Cluster and using Premier Sports, following a review of the spending and Breakfast Club provision.
- In-house PE provision to be explored to provide maximum value for the children and achieve value for money for the school.
