Dear Parent/Carers,

Tuesday 25th July 2023

Wow...where did that academic year go? I understand as you get older, time seems to speed up. It still amazes me how many things we cram into a year, here at Hayes. The Leaver's show was a roaring success and showcased the many talents of our oldest children in the school, before they embark on new adventures. I know it has been emotional for many of you seeing your children flourish and grow. The staff here are all extremely proud of the children and it is a true honour for us to watch them grow as young people as well as develop in the many aspects of their learning. On this note we are extremely proud of the children's year six SATs results this year, reflecting the hard work and endeavours from them throughout their time in school.

I also want to say a huge well done to those children who have demonstrated the school values of Aspiration and resilience with their assessments, in year 2 where the children have completed their SATs, year 1 for their phonics screening, reception for their Good Level of Development and year 4 for their multiplication check. I am very proud of the dedication and hard work of all our staff in supporting the children through their learning.

As I am sure you all know, we are far more than 'weights and measures' at Hayes. It's been fantastic to see the children enjoying Sport's days, residentials and the vast amount of trips and visitors. A tiny snapshot of this is captured in the newsletter. Please visit our facebook page to see curriculum activities. We intend to extend the opportunities the children participate in at school from September with a variety of clubs being offered in school time on a Friday afternoon. Watch this space!

As the children have been preparing to move to their next year, I am thrilled to see the relationships developing between staff and children during our transition days. I am sure you will continue to reassure them of the great year they will have in September with their new teacher. I wish you all a wonderful and restful summer break with your family. I look forward to welcoming you all back to school on Monday, **Warmest wishes, Mark Hanbury**

Dear Children of Year Six 2023,

A huge well done to all of you for 'being all you can be'. I am immensely proud of all you have achieved not just this year, but during your time with us at Hayes. The hard work and dedication you have shown during your learning has reaped spectacular results. The progress you have made has been incredible. You should all be rightly proud. I have also loved the way you have thrown yourself into everything from 'Orapa' to the residential and so many more to mention. Many of you have not had an easy journey, but it has been an absolute privilege to see you all overcome difficulties in your lives to leave us now at Hayes as incredible kind human beings. Remember...if you can be anything...be kind!

From all of us at Hayes, have a wonderful future.

Warmest wishes, Mr Hanbury for and on behalf of the team at Hayes

NEW STARTERS

We welcome Ms Instone as Early Years Phase Lead

My name is Ms Instone, your new EYFS lead. I have been working with children and families for over 25 years and have worked in lots of interesting places in the UK and overseas. I have also worked as an Early Childhood lecturer and an Assistant Head of a large primary school. My passions include Early Childhood education and Outdoor learning. I am a trained beach and forest school leader and believe that outdoor learning is key to excellent outcomes. I have had extensive experience working with children and families to support them in their individual learning journeys, particularly in phonics, reading, language and communication.

I am a practical hands-on person who believes in creating fun, reflective and resilient learning environments, where curiosity and engagement in learning is at the core of what we do. I am very excited to be joining Hayes School and look forward to getting to know the families and the community.

We welcome Miss Prowse as Year 5 Teacher

With a background in Human Resources, I changed careers after my two children reached pre-school age. I retrained as an early years practitioner spending 11 years working with children and managing a village setting in Ogwell. The role was varied and interesting, working with the local community and families. I decided I would like to advance my career and train to teach in primary school. I spent the last year training in local schools and qualify as a primary teacher in July of this year. I live in Newton Abbot with my family, we enjoy spending time together and visiting the wonderful local area. I am delighted to be joining Hayes and I am excited to teach my new class.

Miss Pitt joins us as Year 2 Teacher

I am excited to introduce myself as Miss Pitt, your new Year 2 teacher. I am creative, enthusiastic and love animals, outdoor adventures, swimming, the beach, and having fun! I completed my teacher training and had the pleasure of having my final placement at Hayes. The experience was truly rewarding and I am grateful for the opportunity to continue my journey at this wonderful school. I completed an Early Childhood Studies degree at the University of Plymouth, then a Primary PGCE, specialising in ages 3 to 7. I am trained in safeguarding, ADHD and Autism and have valuable strategies to support my class. I encourage pupils to express themselves in art, writing and imaginative projects. I aim to develop well-rounded pupils who can think and approach challenges with innovation and enthusiasm.

We welcome Mrs Harlock as Year 3 Teacher

My name is Mrs Harlock and I am very excited to be joining Hayes, teaching Year 3. This will be my first teaching post, but I have had years of experience working in schools as a HLTA, across the year groups. The jump into KS2 may be daunting for some but my aim is to make the transition as smooth as possible, by creating a safe, nurturing environment where children develop a love of learning. I am passionate about making learning fun and creating memorable moments with children, in every lesson. When I'm not at school, you will find me in my kitchen cooking and baking some yummy cakes, going for walks along the beach or visiting my friends and family. I love living in Devon because it is such a gorgeous place to explore.

We welcome our new Teaching Assistant

Miss Williams will be joining us as a Teaching Assistant in September. She previously worked with our children when she worked for Kinetic Sports and supported our Breakfast Club and After School Club. We wish her every success in her new role.

OUR LEAVERS

We are saying goodbye to a number of staff members this year. They will all be sadly missed. We thank them for all they have done for our children and wish them every success in the future.

Mrs Thompson has secured a promotion within Torbay.

Mr Williams will take up a new post as a Secondary Geography Teacher.

Miss Caulfield will take up an art specialism teaching post within the Bay.

Miss Gale is relocating and taking up a teaching post in Somerset.

Miss White is leaving (our Speech and Language Champion) has secured a role as a reception teacher.

NEW SCHOOL DAY TIMINGS 8:45 – 3:15

From 4th September 2023, the school day will start at 8:45am and finish at 3:15pm.

This is because the Department for Education has a minimum expectation on the length of the school week and expects all state-funded mainstream schools to deliver a school week of at least 32.5 hours by September 2023. Gates will open at 8:40am.

OUR SCHOOL ALLOTMENT...

This year the children have not only been tending to the allotment but also engaging in beekeeping. As they cultivate plants and care for bees, the children have developed a sense of pride and a connection to the environment, contributing to their overall well-being and shaping them into environmentally-conscious and caring individuals.

We are very much looking forward to our first batch of honey!

WE NEED VOLUNTEERS!

Our allotment can only succeed with the help of our children and parents...

If you are able to spare some time to help us with our allotment, please either phone 01803 557336 or email admin@hayes.torbay.sch.uk during term time.

SUMMER FAIR 2023

Our Summer Fair on 10th July was a great success! We made a profit of nearly £1,200 and a great time was had by all. Thank you to everyone who brought in prizes for the Tombola and jumble sale.

The winner of the £100 raffle prize was Malik Chabaane. Well done Malik!

We hope you enjoy spending your winnings.

Head Boy, Head Girl, Deputies & Prefects 2023/24

We are delighted to announce our New Head Boy, Head Girl, deputies and prefects for next year.

Heads and Deputies from left to right:
Maisie Whalley, Ava Hollway, Freddie Brabon & Toby Scott.

Prefects: Below left to right: Zeb Mendoza, Joel Hobbs, Lydia Jeavons, Oliver Moorey, Sienna Baker, Sebby Robbins, Layla Langford, Oliver Edwards, Millie Gibbs, Wesley Jones & Mia Rodgers.

OUR NEW RUNNING TRACK

We are delighted to see that our children are loving using the new running track. We may see our children becoming top athletes in future!

For Scopay questions, contact admin@hayes.torbay.sch.uk.

Dinner Money Increase to £2.30 from September

Hayes School has not raised dinner money prices for over ten years now and we are proud of our catering provision at school. We are facing rising costs and still wish to retain the quality of food provided. Therefore, Governors have decided we need to raise the price of school dinners. **From 4th September 2023, it will cost £2.30 for a main meal, dessert and drink.**

Free School Meals

if you believe you are eligible for benefit-related free school meals, please contact Torbay Council (details on the right) to apply.

Visit the website at:

<https://www.torbay.gov.uk/schools-and-learning/fsm/>

or Telephone: 01803 208244

Ordering School Dinners, Trips and Clubs

All trips, dinner money, breakfast club and after school club bookings and payments must be made online. If you have not got your Scopay account set up yet, please speak to the reception staff as soon as possible.

We have a fully automated booking system where no clubs, dinners or trips will be able to be booked unless there are funds in the Scopay account so please make sure you keep up with payments. You can choose every school meal for your child on Scopay, including fillings for sandwiches and jacket potatoes. You can book up to six weeks in advance.

UNIFORM

The school uniform consists of:-

- Navy polo shirt
- Jade sweatshirt / cardigan
- Grey trousers, skirt or pinafore
- Blue summer dress (summer term only)
- Black shoes
- Book bags
- P.E. uniform is a house-coloured t-shirt with black or navy shorts, leggings or jogging bottoms with plimsolls or trainers

Please ensure your child wears their P.E. Kit to school on P.E. days.

Our school uniform is available from: Riviera School Days, 186 Union Street Torquay, TQ2 5QP. Telephone: [01803 293650](tel:01803293650). Email: info@rivieraschooldays.co.uk

All non-branded items can be purchase at any supermarket. We keep a stock of second-hand uniform in school. Please ensure children wear the correct uniform at all times.

IF YOU HAVE ANY GOOD QUALITY UNIFORM YOU NO LONGER NEED, PLEASE BRING IT IN TO RECEPTION – THANK YOU!

Parking

Please can parents be considerate to others when parking on the roads outside the school. Also, please be aware when parking on the Animals in Distress site. We need to be respectful of our neighbours.

Online Safety

[Ofcom Children & parents' media use & attitudes report 2022](#)

This report looks at media use, attitudes and understanding among children and young people aged 3-17. It includes findings on parents' views about their children's media use, and how parents of children and young people aged 3-17 monitor and manage their children's use. Ofcom findings include:

Online access and attitudes

- Nearly all children went online in 2021 (99%)
- The majority used a mobile phone (72%)

Online behaviours

- Video-sharing platforms (VSPs) (YouTube/TikTok) was the most popular for ages 3-17
- 31% posted content they had made themselves, especially those aged 12-17
- YouTube was the most widely used by children
- 89% used You Tube, compared to half using TikTok

Online profiles

- Most children under 13 had their own profile on at least one social media app or site
- 33% of parents of 5-7s said their child had a profile
- More than 6 in 10 children 8-17 had more than one profile on online apps and sites (62%); the most common reason was having one just for family or friends to see.
- 4 in 10 parents of 3-17s knew minimum age for most apps; 42% correctly said 13.
- 4 in 10 parents of 8-11-year-olds said they would allow their child to use social media (38%). Access and download the full report [here](#).

OUR LEARNING

The Developing Curriculum

Our staff have been working extremely hard this term on developing all subject areas across the school. From Art to Science each member of staff is responsible for a subject area. They work with teachers across the school to ensure every subject is covered comprehensively.

At Hayes, we want to develop young people as critical thinkers with a depth of knowledge that empowers them to think creatively. The foundation of this is our curriculum statement.

Our Curriculum Vision

At Hayes, we strive for our children to push beyond any perceived idea of potential, to be all they can be, regardless of background. Our vision is for all of our children to leave us as good human beings- happy, kind and responsible. Our curriculum is integral in shaping the children to become independent and life-long learners.

Our curriculum aims to equip our children with the ability to 'think' in order to make sense of an ever-changing world. The breadth our curriculum provides is underpinned by thinking. This thinking will allow our children to make sense of the world around and before them in order that they can live fulfilling and happy lives, being all they can be.

NURSERY

Nursery have had a fabulous term with their art day and a visit from Mr Fish to discover amazing sea creatures, with lots of musical discovery and painting.

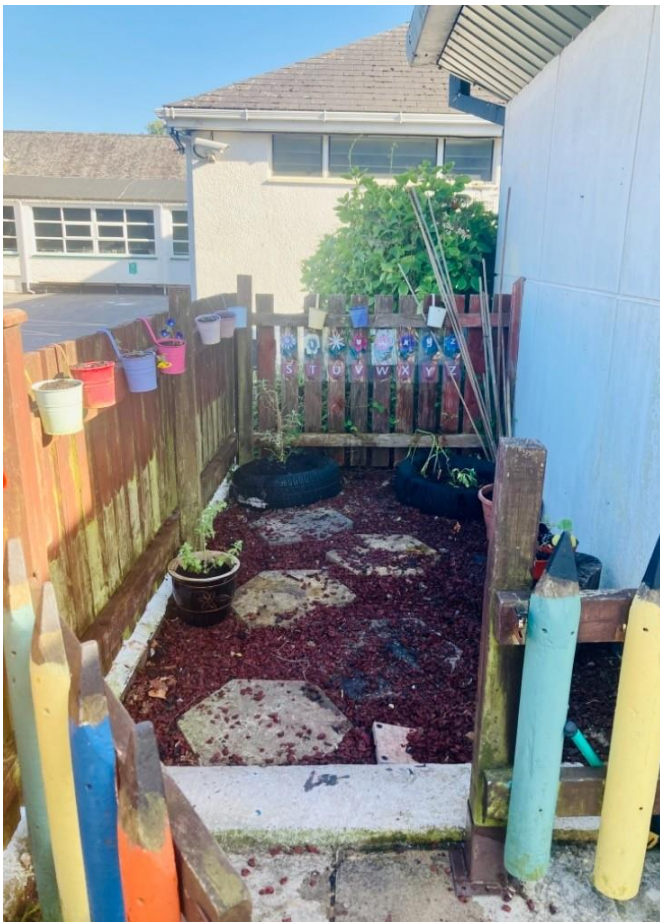

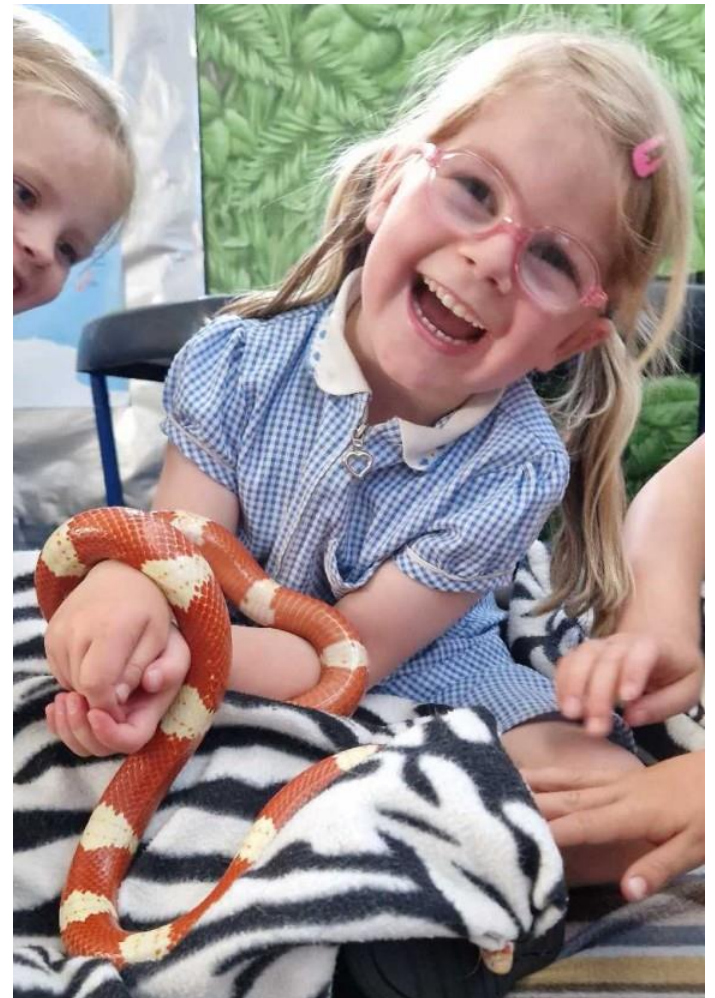

RECEPTION

Reception children have had visits from Animal HQ and have been looking after their secret garden.

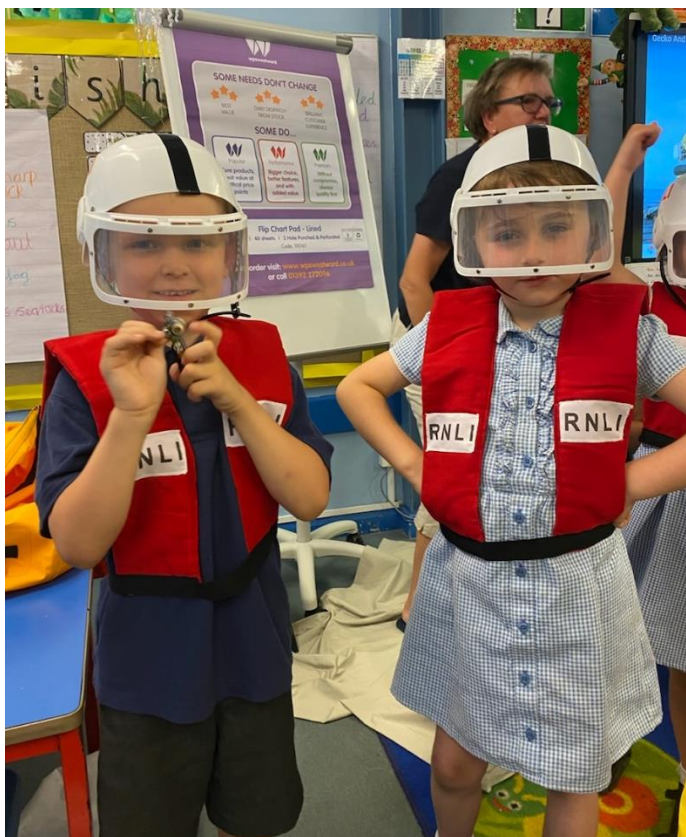

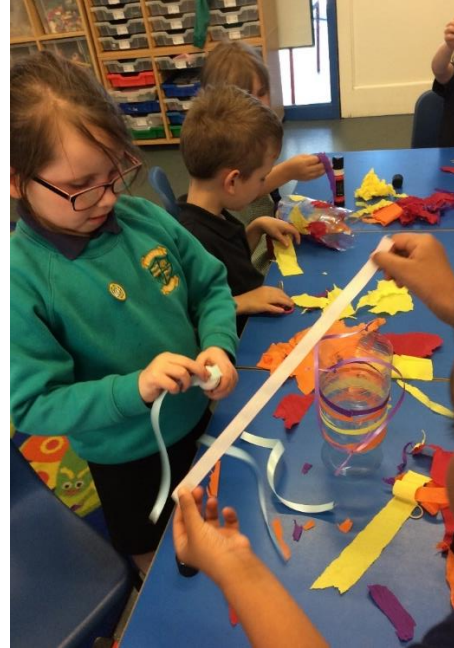

YEAR 1

Year 1 has been busy with their Values through Art day, making wind socks from plastic bottles, a visit from an RNLI representative and using balance scales to find equivalent masses to items around their classroom.

YEAR 2

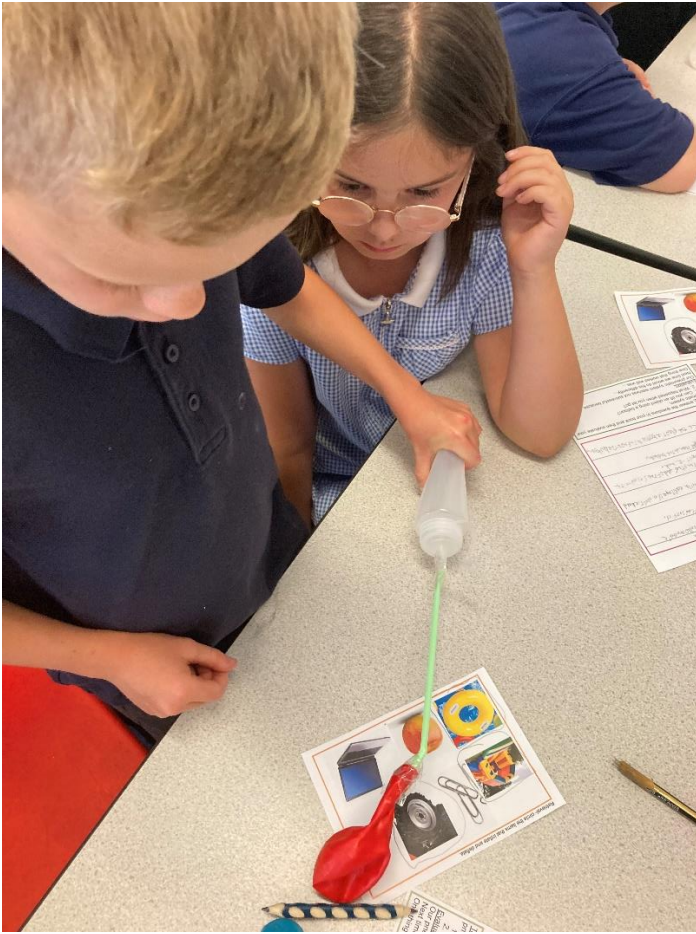

Year 2 had a great time at the zoo last week, to complete their learning experience. They especially enjoyed visiting the giraffes and the reptiles

YEAR 3

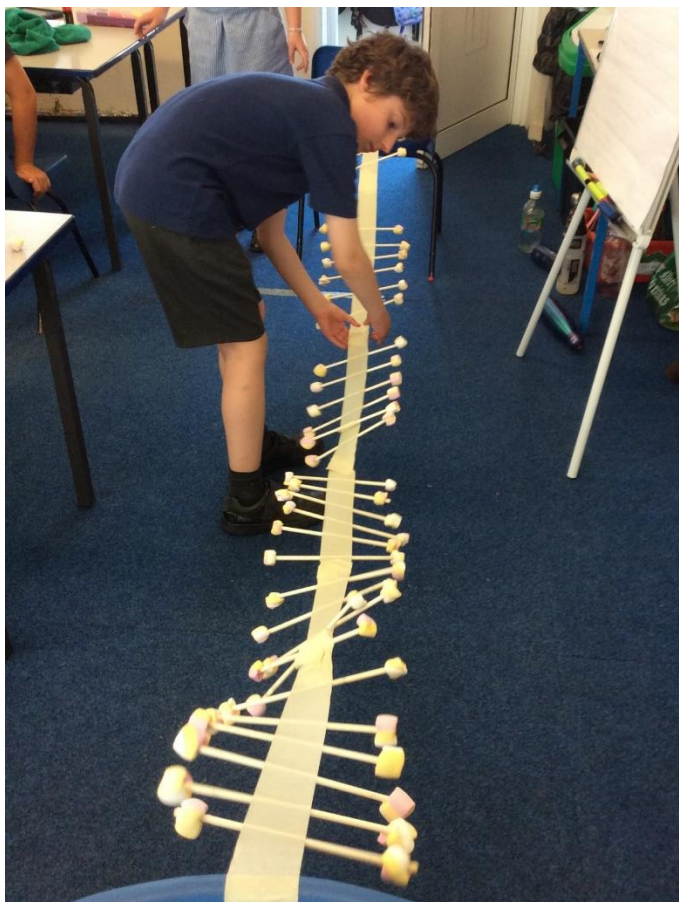

Year 3 have been mixing and creating colours with paint to create their own versions of famous paintings.

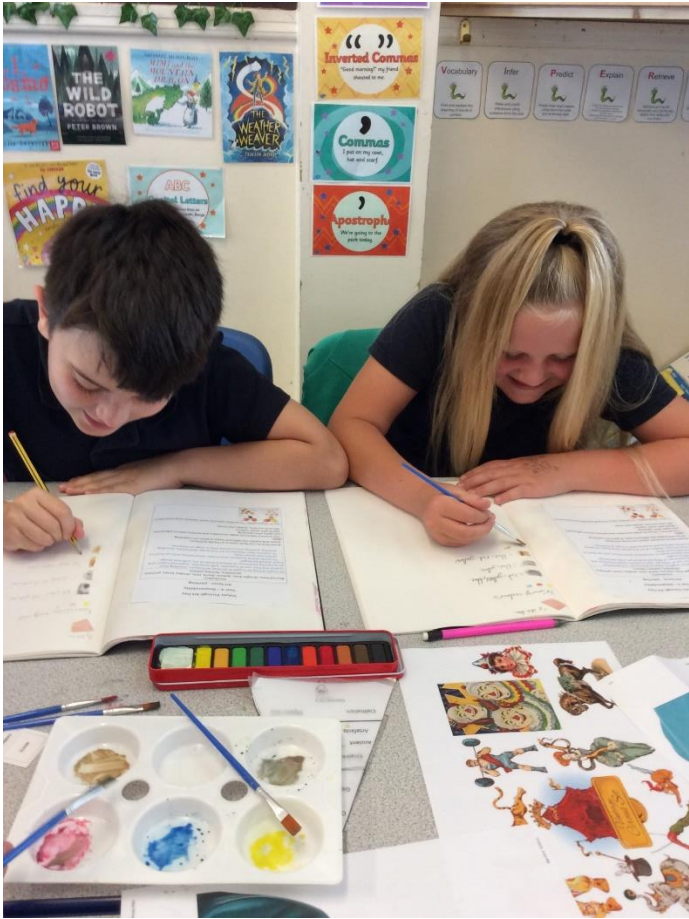

YEAR 4

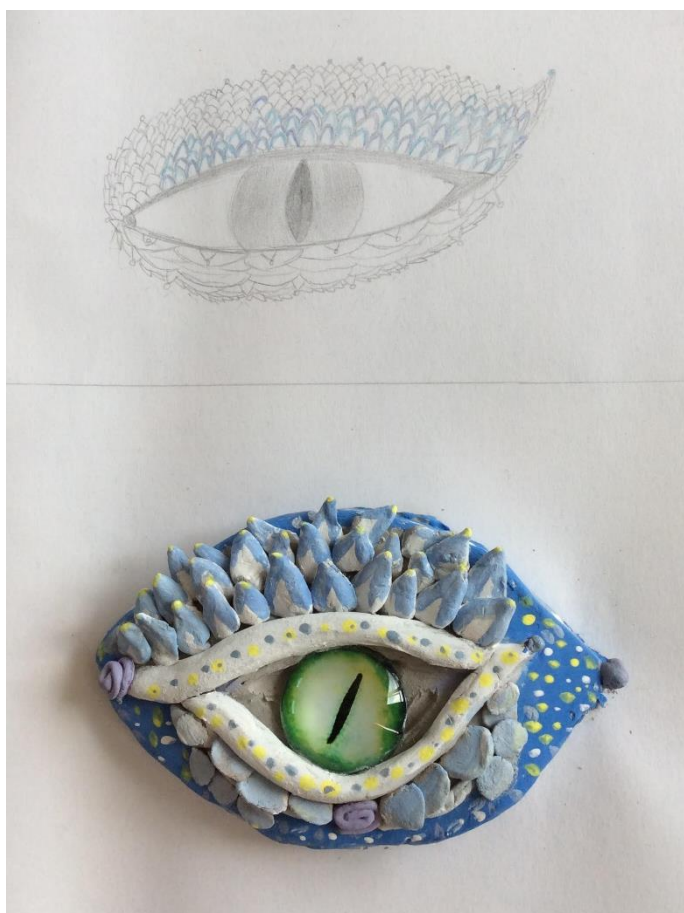

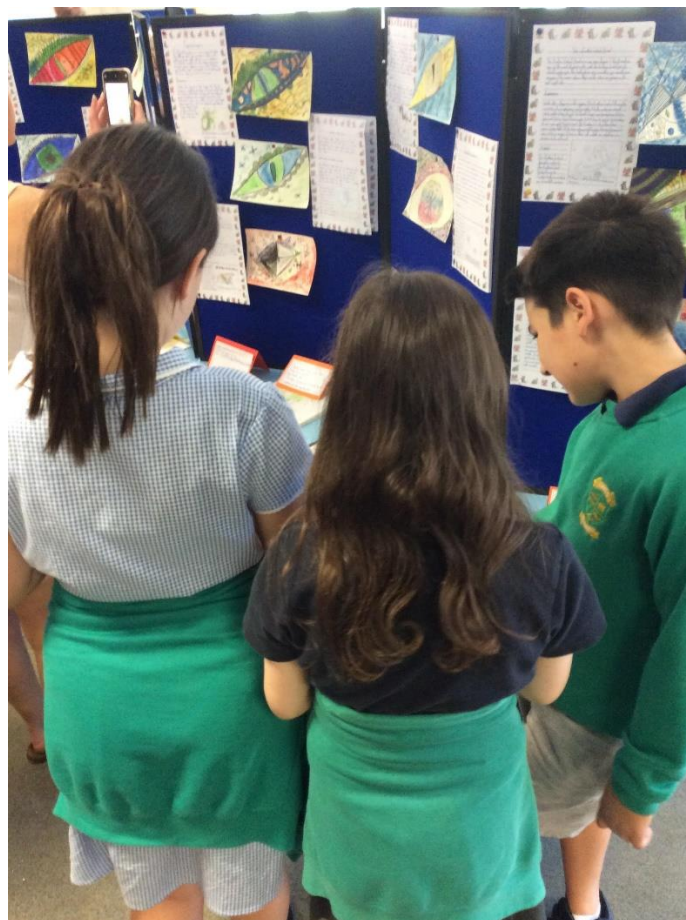

During art day, Lemurs discovered how to create skin tones and created figures being responsible for something on Earth. In science, they learned about sound and how vibrations are created and how they lose energy the further they travel.

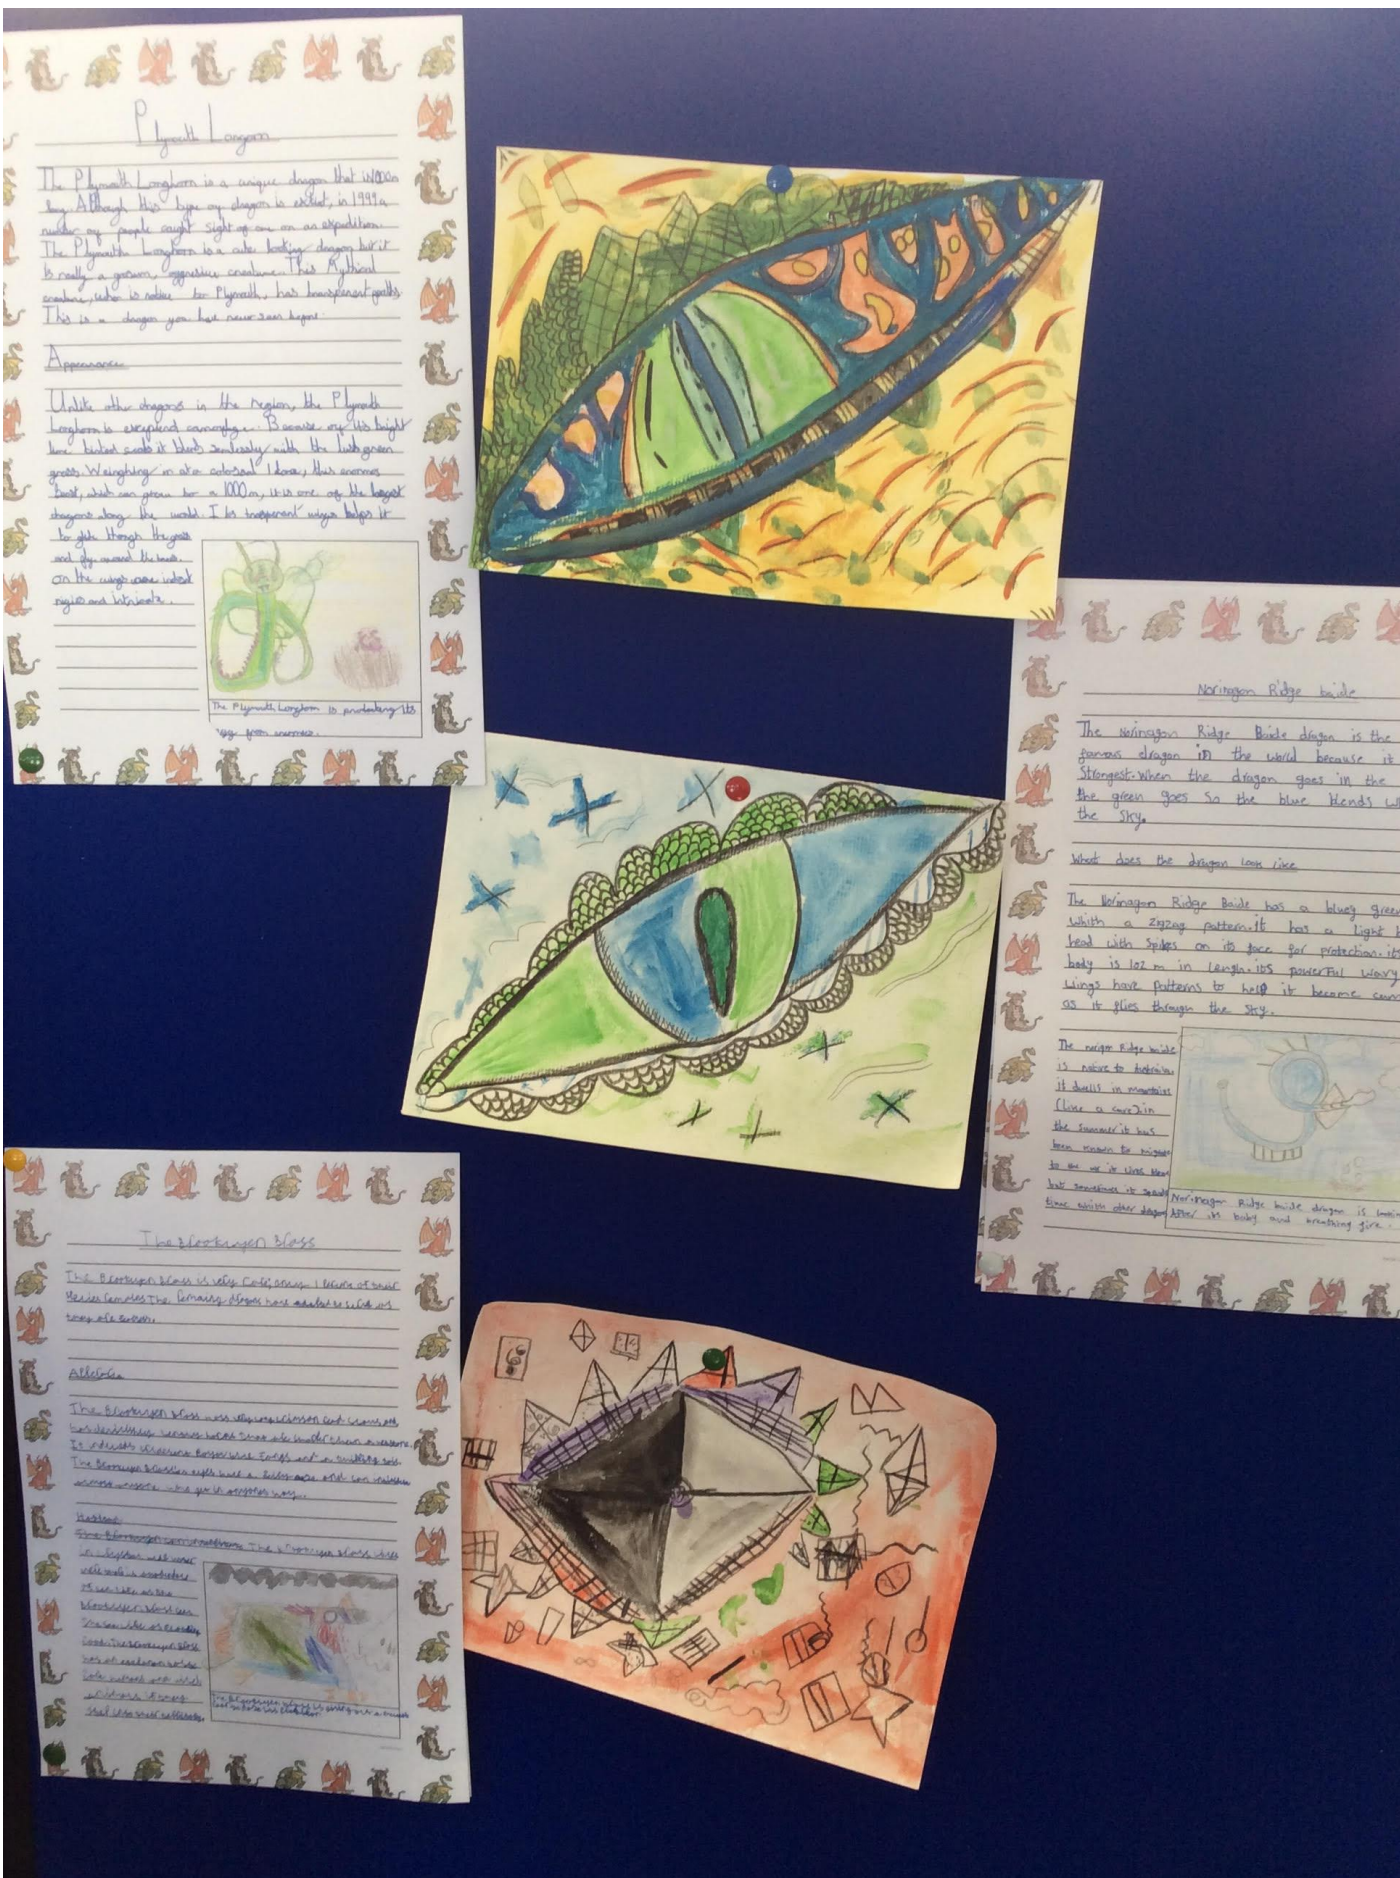

YEAR 5

Year 5 really enjoyed sharing their learning with parents at their pop-up art gallery! On display were enchanting clay dragon eyes which were designed, sculpted and painted by Year 5. Also, watercolour images of dragon eyes as well as non-chronological reports of the dragons designed by the children.

Below is a selection of the fabulous work of Year 5 on dragons and dragon eyes.

YEAR 6

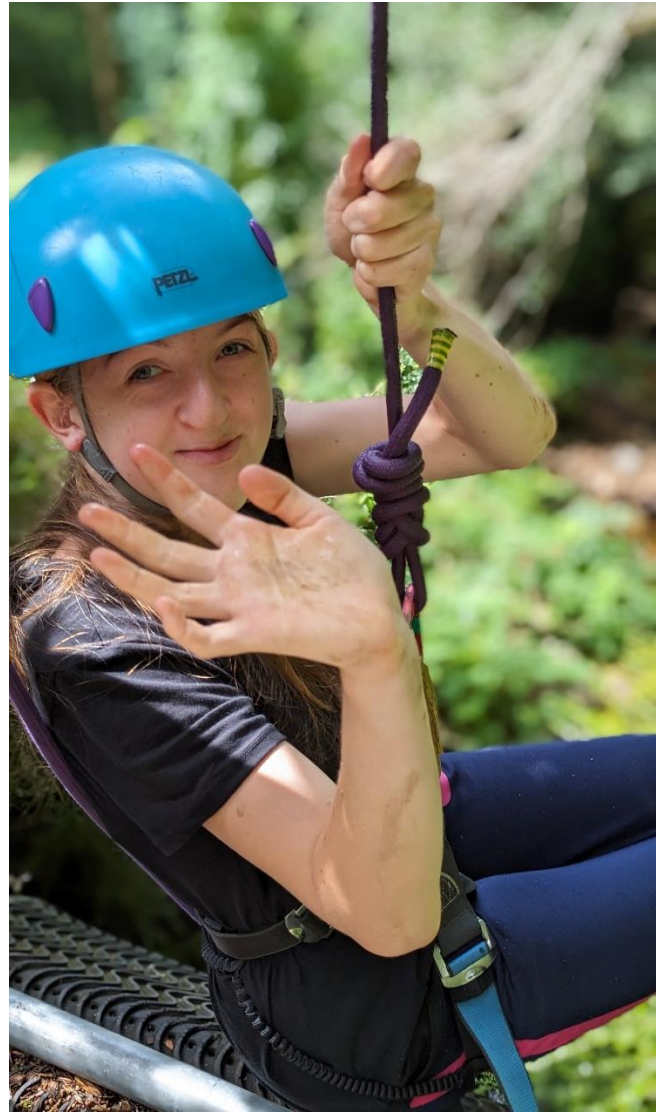

This week, Year 6 have been on their residential to Dewerstone Cottage on Dartmoor. They have undertaken a variety of activities including a river scramble, orienteering, pioneering, a tree ladder climb and a hike to the top of the Dewerstone.

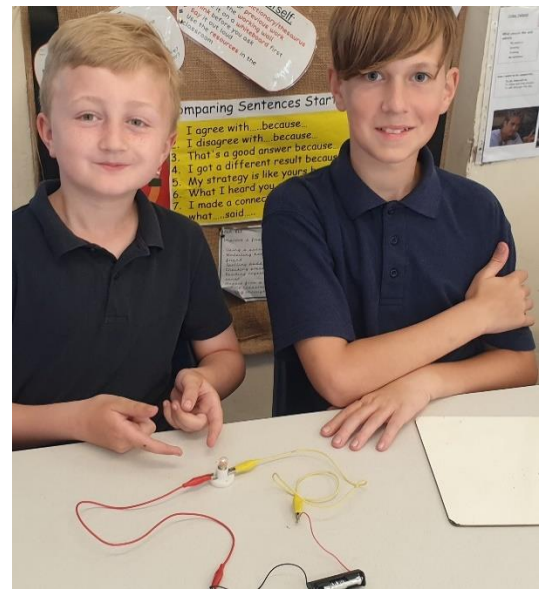

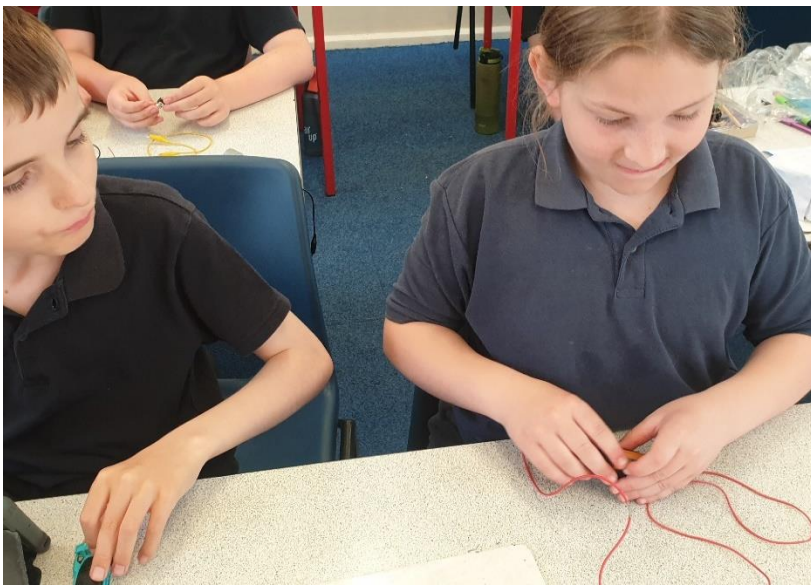

SPORTS DAY 2023
