The Adventures of
Egg Box Dragon

Choose your homework from the menu below:
The Peri-ometer suggests the difficulty or challenge
the homework may offer.

Key Words: design,
create, evaluate, 3D
(three dimensional),
pattern, texture,
model, roll rub, stamp

Year 1 Home Learning

Make your own mythical creature and send a photo on dojo. Don't forget to tell us what resources you used to create your creature!

5 Dojos

Write a set of instructions to tell us how you made your own mythical creature. Don't forget to include the list of equipment that you used.

4 Dojos

Create a list of all the equipment you will need to make your mythical creature design. Send a photo of your list on Dojo.

3 Dojos

Design your own homemade mythical creature and send a photo on Dojo. Draw your design and include labels of the different resources.

2 Dojos

Write your own story about your dragon and an adventure it has. Is it saving a person, a village, the world? Use your imagination! Can you read your story to the class?

5 Dojos

Looking at your drawing of your dragon, make a list of its important parts. Can you describe them in detail? Write in full sentences, using your descriptive words - and don't forget what each sentence should begin with and end with!

4 Dojos

Make a list of the magical things your dragon can do - can it fly, breathe fire? Does it have any other special magical powers. Tell me how your dragon uses them to help others.

3 Dojos

What do you think a dragon would look like? Draw and colour your own idea for a dragon. Label the interesting or important parts.

2 Dojos
