Dear Parents,

The children really enjoyed our trip to Morrison's to buy our pancake ingredients linking this to our money topic in Maths. We are lucky to have the 'Donkey Sanctuary' coming to visit us on Tuesday 7th March. The children will be able to walk the donkeys around the playground, feed them and brush their fur. Thank you to those who have already paid for our upcoming Occombe Farm trip. We need all payments into school by Friday 10th March.

Well Done Assembly:

During the last fortnight these children have been super-stars at school.

Mrs Ritchie's Class:

Shay- For making good choices at school.

Amelia- For always being a kind friend and having lovely manners.

Tyler- For being a 'tryatops' and trying his best.

Katie- For amazing pancake writing and using her finger spaces.

Miss Harper's Class:

Jamie- For fantastic work with money.

Chelsey- For fantastic work with money.

Tommy- For blowing Miss Harper's socks off with his super pancake writing.

Jensen- For brilliant pancake writing and using his finger spaces.

Mrs Ritchie's Group

Literacy:

The children enjoyed visiting Morrison's to collect ingredients needed to make pancakes. They then helped Mrs Lloyd make them; they tasted delicious! We put photos in the correct order and used Makaton to help us remember each step. The children practised writing instructions on a whiteboard before writing it on paper. The children understand that when they write instructions they need to be bossy. All children blew our socks off with their superb writing. Please come in and see their fantastic writing on our writing wall.

Maths:

The children have been learning about money and recognising coins up to £2. They have begun to make amounts up to 10p using different coins.

Miss Harper's Group

Literacy:

The children enjoyed visiting Morrison's to collect ingredients needed to make pancakes. They then helped Mrs Lloyd make them; they tasted delicious! The children wrote the ingredients needed on a shopping list and took it to Morrison's. They then wrote a set of instructions on how to make a pancake. The children tried really hard to use all the sounds in the word and their finger spaces. All children blew our socks off with their superb writing. Please come in and see their fantastic writing on our writing wall.

Maths: The children have continued their money topic through the story of 'The Great Pet Sale'. We had to choose 2 or 3 animals and find the total and change from £1. The children then used their knowledge about money at Morrison's.

Important Information

We are once again very short of spare trousers, skirts, tights and socks. If you have any old uniform at home, we would be grateful for any donations.

Just to remind parents to regularly check your child's online learning journal. If you have problems accessing this at home, please let us know. For parents with no internet at home we are more than happy to share this with you at school. Come and see us after school.

Home Learning

We are so impressed with the children for remembering their sight words. Lots of children have moved onto caterpillar words: Well done. Can the children also practise spellings these tricky words in their yellow home/school book? This will really help them with their writing at school.
