

Sports Premium Plan 2019-20

Rationale

Physical Education contributes to pupils' physical, academic and social well-being and thus is an important part of the education programme. As well as promoting physical development, it provides opportunities for pupils to be creative, competitive and to face up to challenges as individuals and as part of a team. Hayes School is committed to providing a progressive and comprehensive physical education programme that embraces the National Curriculum, caters for individual needs and fosters positive attitudes towards active and healthy lifestyles.

In line with the objective of the Sports Premium funding available for the 2019-20 academic year, this document will outline the planned expenditure of the funding. The impact of this will be evidenced and reviewed at the end of the academic year.

Planned expenditure for 2019-20 (Total received: £ 19,420)

Key indicator (according to DfE guidelines)	Intended impact on children	Actions to achieve	Evidence and impact (Review of 2019-20 expenditure)	Expenditure
The engagement of <u>all</u> pupils in regular physical activity - Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.	'Head, heart, hands' approach to physical activity to ensure a healthy body and mind.	Kinetic Sports provides additional PE sessions for <u>all</u> pupils. Kinetic Sports provides sports therapy at lunchtimes for specific children highlighted by their teachers as those who would benefit from this. Phase leaders to liaise with SENDCO and Pastoral Team to highlight specific children and discuss their needs with the Kinetic Coach.	<u>Successfully implemented</u> During lockdown, the school contracted additional sessions from Kinetic Sports to enable the children to spend more time outside as per our risk assessments. This was for vulnerable children and the children of key workers. We also arranged for an Easter holiday club.	<u>Kinetic Sports:</u> £19,420 100% of budget plus additional from School Budget to promote active healthy lifestyles
