

## Sports Premium Plan 2020-21

### Rationale

Physical Education contributes to pupils' physical, academic and social well-being and thus is an important part of the education programme. As well as promoting physical development, it provides opportunities for pupils to be creative, competitive and to face up to challenges as individuals and as part of a team. Hayes School is committed to providing a progressive and comprehensive physical education programme that embraces the National Curriculum, caters for individual needs and fosters positive attitudes towards active and healthy lifestyles.

In line with the objective of the Sports Premium funding available for the 2020-21 academic year, this document will outline the planned expenditure of the funding. The impact of this will be evidenced and reviewed at the end of the academic year. Covid 19 will obviously have a huge impact on our intention and the reality of our spend due to national restrictions.

### Planned expenditure for 2020-21 (Total received: £ 19,550 )

Key indicator (according to DfE guidelines)	Intended impact on children	Actions to achieve	Evidence and impact (Review of 2020-21 expenditure)	Proposed Expenditure

	Audit resources to ensure that children are using the best possible equipment available to them.	PE subject leader to undertake an audit of all resources, in collaboration with the Kinetic Coach, and replenish equipment where necessary. This will include a yearly update of Sports Day equipment.		
<b>Increased participation in competitive sport</b>	Increase percentage of children participating in extracurricular sport. Increase percentage of children representing the school in competitive sport.	All children participate in a competitive sports day each year.  Competing year groups will represent the school.  Organise links with other schools through Kinetic. Host some of the half-termly festivals to be organised by Kinetic.  Attend inter-school Sports Day organised by Kinetic Sports, linking with other schools that Kinetic provide the same service for.		
<b>The National Curriculum states that - at the end of Key Stage 2 - each child should be able to swim competently for 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.</b>	The children will be formally assessed with the intention to meet the National Curriculum standards.	A high percentage of children will meet the National Curriculum Standards, within each year group. Percentages to be monitored by MH in order to focus future provision to target those who do not achieve, in order that progression is achieved as the children move through the school.	At the date this document is published, there is no clarity as to when our children will be able to attend swimming lessons.
